

The Strokes, All The Time

Those that try anything once
Should we care about the only ones?
All the time that I need is never quite enough
All the time that I have is all that's necessary

You're livin' a lie,
You're livin' a lie,
You're living too fast,
You gotta pray for the best
You never ask why,
You never ask why,
You're living a lie,
Maybe you're flying too high

No one talks, about the horror
On my block, or by the shore
I'm all alone in a room,
Do you want what I want too?
All the time in the world
Is all that's necessary

You're livin' a lie,
You're livin' a lie,
You're living too fast,
You gotta pray for the best
You never ask why,
You never ask why,
You're living a lie,
Baby you're flying too high

You never ask why,
You never ask why,
You're livin' a lie,
Baby you're flying too high
Don't get on the phone
Don't reach for the door
You know the answer that you're looking for

You're livin' a lie,
You're livin' a lie,
You're living too fast,
You gotta pray for the best
You never ask why,
You never ask why,
You're livin' a lie,
Baby you're flying too high
