

# The Struts, paris jackson, Low Key in Love

This girl  
She's a real star child  
Never wanted anyone so bad  
It's making me go wild

This guy  
Feels lika a jaguar  
And all i want is just to drive him  
But i don't know where to start

Cause u am low key  
Low key in love with her  
I keep biting my tongue  
So i don't say it in front of her

I am low key  
Low key in love  
I 'll keep in doing what i am doing  
And just hope it's wenough

I am in love  
But i am keeping it low key  
I am in love  
But i am keeping it low key  
I am in love  
But i am keeping  
Love But i am keeping it  
Love But i am keeping it it low key
