

The Toy Dolls, In Tommy's Head

"I'm so glad" he tells me and you, "It's so sad" we know it ain't true:
Oooh, in Tommy's head
He told me, "I'm head over heels," a phoney
We know what he feels, but Tommy thought he knew:

(Chorus)

In Tommy's head, he can't believe
" " " she had to leave
" " " he'll always yearn
" " " she will return

" I don't mind" at peace now he thinks
We ain't blind - we know what he feels - what he always dreams

(Chorus)

:and he just can't hide, that feeling inside Tommy

(Guitar Bit)

(Chorus)
