The Twilight Singers, Feathers

Wherever you're going I know you knew That nobody cuts me Quite like you do And i'm gonna crawl Not that it matters Nobody bleeds the way I do Wherever you've gone I can follow The path of destruction You leave like crumbs And i'm gonna crawl I'm gonna scratch and claw Though i am broken, i still bleed Whoever said? No wind, no rain, no conversation Will bring me back alive I got it bad and i won't sleep Until i breathe the sweet perfume You love You're gonna crawl, my precious I'm untethered Waving in the wind like feathers Feel you near me, disappearing If you take, you better kill me Break me, steal me If you don't kill me I'm gonna crawl, til you crawl Crawl like them all, my precious I'm untethered Waving in the wind like feathers-Crawl, my love
