

The Vaccines, I Always Knew

Down, down in my bones
Somewhere I'd never ever known
Right at the back of my head

It hit me like a beam of light
Hit me like ??? eye
And I could have fell to the floor

'Cause you talk to me
And it comes off the wall
You talk to me
And it goes over my head
So let's go to bed
Before you say something real
Let's go to bed before
You say how you feel

'Cause it's you
I always, always knew
I oh, I always knew
Oh, it's you

I try my best to unwind
Nothing on my mind but you
Oblivious to all that I'll owe
I'm hanging on
To what I don't know
So let's go to bed
Before you say something real
Let's go to bed
Before you say how you feel

'Cause it's you
I always, always knew
I oh, I always knew
Oh, it's you
Yeah it's you
I always, always knew
I oh, I always knew
Oh, it's you

Well it's you
I always, always knew
I oh, I always knew
Oh, it's you
I knew, oh I always knew
Yes I always knew
Oh, it's you
