

THE VAMPS, CAN WE DANCE

I talk a lot of shit when I'm drinking baby
I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know you but I'd like to
Skip the small talk and romance, girl
That's all I have to say so baby
Can We Dance ?

Here we go again
Another drink I'm caving in
The stupid words keep falling from my mouth

You know that I mean well
My hands remember somewhere else
Your eyes are doing naughty but it's like

Oh oh , Oh oh

One more drink and I should go

Oh oh , Oh oh

But maybe she might like me though

Oh oh , Oh oh

I just can't think of what to say
Should I go ?

I talk a lot of shit when I'm drinking baby
I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know you but I'd like to
Skip the small talk and romance, girl
That's all I have to say so baby
Can We Dance

I was nearly in
But then came the pushy friend
Killed the vibe and took my perfect end away

You know I need you girl
My heart's not made for someone else
Take me in cause I can barely stand

Oh oh , Oh oh

One more drink and I should go

Oh oh , Oh oh

Oh defenitely she likes me though

Oh oh , Oh oh

I just can't take this anymore
Should I go ?
Should I stay?

I talk a lot of shit when I'm drinking baby

I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know you but I'd like to
Skip the small talk and romance
That's all I have to say so baby

I've been a bad boy, girl
Whispering rude things in her ear
Please say she'll break
Please say she'll change
I might not bring me back to

I talk a lot of shit when I'm drinking baby
I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know you but I'd like to
Skip the small talk and romance, girl
That's all I have to say so baby

I talk a lot of shit when I'm drinking baby
I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know you but I'd like to
Skip the small talk and romance
That's all I have to say so baby
Can We Dance?
