

THE VAMPS, High Hopes

Woo-ooo-oooh, woo-ooo-oooh, woo-ooo-oooh

Well i met you yesterday,
You took my breath away,
And i kinda like the way that you're so damn unpredictable

That was just history,
It turned into you and men
It happened so easily, like i'm livin' some kind of miracle

The world keeps spinning,
It won't stop, it's just beginning

Cause i got high hopes, high hopes,
high hopes for me and you
And when we grow old, i'll say ?i told you so?
Cause i got high (high, high) hopes

Woo-ooo-oooh, woo-ooo-oooh

I can move in with you,
And we could get married too
Go on our honeymoon
maybe we should finish this coffee first

It might sound a little weird,
It's like I've known you for years
So every word you hear might just sound a little over rehearsed

The world keeps spinning,
It won't stop, it's just beginning

Cause i got high hopes, high hopes,
high hopes for me and you (for me and you yeah baby)
And when we grow old, i'll say ?i told you so?
Cause i got high (high, high) hopes

Woo-ooo-oooh, woo-ooo-oooh, woo-ooo-oooh

ba ba ba ba ba bada
ba ba ba ba ba bada
(ahh ahh ahh high hopes)
ba ba ba ba ba bada
ba ba ba ba ba bada

The world keeps spinning,
It won't stop, it's just beginning

Cause i got high hopes, high hopes,
high hopes for me and you (for me and you yeah baby)
And when we grow old, i'll say ?i told you so?
Cause i got high (high, high) hopes

I got high hopes, high hopes,
high hopes for me and you (for me and you yeah baby)
And when we grow old, i'll say ?i told you so?
Cause i got high (high, high) hopes

Woo-ooo-oooh, woo-ooo-oooh, woo-ooo-oooh

high hopes
