

THE VAMPS, Married In Vegas

No good for me
And my frame of mind
I think about you all the time
A pretty little thing could work me at 25

Just say the words
And i am all ears
Let's tuen a drink in to 5 years
Spend my money
Oh honey
Come and bleed me dry

I came here to be someone else
I found tyou and i found myself
Mr mr i;m all in
Bet you house abd i'll cal lit

Feels like a TKO
Feesl like the lowest lights
I think we might get married in Vegas
