

# THE VAMPS, Risk It All

You just know  
Sometimes you feel in your bones  
Though I've heard that hearts can still beat wrong  
Something's telling me that you're the one  
I just know  
Even if I had a heart of a stone  
You could make it bleed all on your own  
You could break it but I hope you won't  
I'd burn it down, I'd light it up for you

I'd risk it all  
I'd rather crash, I'd rather crawl  
Than never have your love at all  
With only bricks to break my fall

For you I'd risk it all  
Stand your ground  
Win or lose I gotta see this out  
Go to hell, I'll let you watch me drown  
It takes more than this to keep me down  
I'd give it in, I'd give it up for you

I'd risk it all  
I'd rather crash, I'd rather crawl  
Than never have your love at all  
With only bricks to break my fall

For you I'd risk it all  
Come on just do it  
You put me through it  
Come on just do it  
You put me through it  
Come on just do it  
You put me through it  
I'd burn it down, I'd light it up  
I'd take the way  
I'm strong enough  
Not giving in, not giving up

I'd risk it all  
I'd risk it all  
Than never have your love at all  
With only bricks to break my fall  
For you I'd risk it all  
I'd like rather crash, I'd rather crawl  
Than never have your love at all  
With only bricks to break my fall  
For you I'd risk it all.
