

# THE VAMPS, She Was The One

Tell me you love me,  
Tell me you care,  
I know you won't be there, no...  
So give me it all,  
I'll give it right back,  
And show me the bottom of this bottle,  
We can pick up where  
we left off, tomorrow

She was the one who got away,  
She was the one who I never got to say  
How much I miss your touch  
She was the one who meant the most  
She was the one who I kept close amongst it all  
So just let's fall...

Tell me you need me,  
This isn't fair,  
I know you won't be there, no...  
So give me it all,  
I'll give it right back,  
And show me the bottom of this bottle,  
We can pick up where we left off, tomorrow

She was the one who got away,  
She was the one who I never got to say  
How much I miss your touch  
She was the one who meant the most,  
She was the one who I kept close amongst it all,  
So just let's fall...

Tell me it will be ok,  
Tell me it will all fade away  
I've walked for miles and I haven't even got that far,  
Tell me your secrets and I promise we won't leave this scarred,  
Cause in the end there's better ways for us part, no...  
I thought as much it wouldn't ever and that away,  
Cause all the second guessing girl you led me astray,  
Could you come back to me one day?

She was the one who got away,  
She was the one who I never got to say  
How much I miss your touch ,  
She was the one who meant the most,  
She was the one who I kept close amongst it all,  
So just let's fall...
