

# The Velvet Underground, Sad Song

livin' on borrowed time  
i'm in love w/ mary queen of scots  
fourteen hundred ninety three  
and everythings like it should be  
i'm gonna stop wasting my time  
henry the fifth would have broken my heart  
sad song sad song  
doo doo  
sad song sad song  
livin on borrowed time  
i'm in love w/ mary queen of scots  
1493  
and things just like they ought to be  
primrose and kilts  
primrose and spain  
forget me not my queen of scots  
sad song sad song  
doo doo
