

# The Veronicas, Leave Me Alone

I'm getting tired of you pushing me 'round  
Dragging me down, making a sound because you wanna  
I guess that's why I like messing with you  
Putting you through lesson or two, because I'm gonna  
Before I go my own way, I just gotta say

Leave me alone, get out of my face  
I'm tired and low, feeling so misplaced  
Time for you to go, you still know  
I'm better off on my own

Leave me alone, this isn't gonna work  
Don't call me on the phone, 'cause I'm all out of words  
I'll face the unknown, thinking about  
All the ways that I've grown  
Oh, leave me alone "(repeatedly)"

There was the time I thought you were the one  
Having some fun, getting it done, what an illusion  
'Cause you were trying to take control of me  
That couldn't be, I need to be free of this confusion  
Don't give me a guilt trip, because I'm so over it

Leave me alone, get out of my face  
I'm tired and low, feeling so misplaced  
Time for you to go, you still know  
I'm better off on my own

Leave me alone, this isn't gonna work  
Don't call me on the phone, 'cause I'm all out of words  
I'll face the unknown, thinking about  
All the ways that I've grown  
Oh, leave me alone "(repeatedly)"

Don't turn around and don't look back  
I see right through all your selfless acts

Leave me alone, get out of my face  
I'm tired and low, feeling so misplaced  
Time for you to go, you still know  
I'm better off on my own

Leave me alone, this isn't gonna work  
Don't call me on the phone, 'cause I'm all out of words  
I'll face the unknown, thinking about  
All the ways that I've grown  
Oh, leave me alone "(repeatedly)"

If you win your love  
I'll feel better on my own  
Leave me alone
