

The View, How Long

How long has it been since you've fell in love with a boy like me?

When you drop 6 bottles of your best perfume,
I'll turn them into 12
Standing on the shoulders that are slating you
I slay them all myself
Your last order of your cheap old wine
Has never helped your case,
I'll come running with a crate of champagne,
To brighten up your face
So don't call me crazy, cause its all for you lady!

How long has it been since you've fell in love with a boy like me?

You're the.. my type of girl
Without you I stay a little warm
I'll come running when the window make a chime.

Cause if I take your words in the song I sing,
Like the rock the paper, the scissors that sort of thing
The question is waiting in the pretty scene
How long has it been?
So don't call me crazy, cause its all for you lady!

How long has it been since you've fell in love with a boy like me?

I'll come runnin', come runnin', when the wind don't make a chime
come runnin, I'll come runnin, when the wind don't make a chime
don't make a chime for me and you

How long has it been since you've fell in love with a boy like me?
