

# The Wanted, Mad Man

(Tom & Siva)

Oh, I'll let go.

I'll fight for you, until I drop.

So get ready, my love is steady.

It won't slow and it won't stop.

(Jay)

Maybe I'm a mad man.

Maybe I'm a bad, bad, bad, bad man.

But you won't see a sad man,

When you're lookin' at me.

(Tom)

They can call me crazy.

But what good is a life behind the door?

I've been livin' lately,

When you're lookin' at me.

(All)

Oh, I'll let go.

I'll fight for you, until I drop.

So get ready, my love is steady.

It won't slow and it won't stop.

(Nathan)

It's like my nerves are set on fire.

It's like a fuse growing in my brain.

The sun is risin' and we're not tired.

We'll be dancin' on for days.

(Jay)

Maybe I'm a mad man.

Maybe I'm a bad, bad, bad, bad man.

But you won't see a sad man,

When you're lookin' at me.

And I feel so amazing.

We're vibin' on a higher atmosphere.

And you can call me crazy,

But it's so beautiful from here.
