

# The Waterboys, Beautiful Now

I saw a picture of you today  
Taken years before I found you  
You wore a tangerine peruque  
The bunch of angels play around you  
...  
...

You're beautiful than sweet angel  
You're more beautiful now

You kiss was like a morning juice  
Your lips was were soft and wet  
A ... whizz was blown and ..  
The desert where we've met

Dangerous close around us  
We made gruesome how

You're beautiful than sweet angel  
You're more beautiful now

Look down the ... several years  
And darling, there you are  
And dancer's crying .. to tears  
.. a star

A slayer of mediocrity  
A very secret ...

You're beautiful than sweet angel  
You're more beautiful now
