The Weeknd, Earned It (Fifty Shades Of Grey)

You make it look like it's magic Cause I see nobody, nobody but you, you, you I'm never confused Hey, hey I'm so used to being used

So I love when you call unexpected Cause I hate when the moment's expected So I'ma care for you, you, you I'ma care for you, you, you

Cause girl you're perfect You're always worth it And you deserve it The way you work it Cause girl you earned it Girl you earned it

You know our love would be tragic So you don't pay it, don't pay it no mind We live with no lies Hey, hey You're my favorite kind of night

So I love when you call unexpected Cause I hate when the moment's expected So I'ma care for you, you, you I'ma care for you, you, you, yeah

Cause girl you're perfect You're always worth it And you deserve it The way you work it Cause girl you earned it Girl you earned i

On that lonely night
We said it wouldn't be love
But we felt the rush
It made us believe it was only us
Convinced we were broken inside, inside

Cause girl you're perfect You're always worth it And you deserve it The way you work it Cause girl you earned it Girl you earned i
