# The Weeknd, Ordinary Life

## [Verse 1]

Heaven in her mouth, got a hell of a tongue I can feel her teeth when I drive on a bump Fingers letting go of the wheel when I cum Whe-wheel when I cum, whe-wheel when I cum David Carradine, I'ma die when I cum She just givin' head, she don't know what I done Like I'm James Dean, I'ma die when I'm young Die when I'm young, die when I'm young

## [Pre-Chorus]

Heaven knows that I've been told
Paid for the life that I chose
If I could, I'd trade it all
Trade it for a halo
And she said that she'll pray for me
I said, "It's too late for me"
'Cause I think it's safe to say...

# [Chorus]

This ain't ordinary life This ain't ordinary life This ain't ordinary life This ain't ordinary life No ordinary life This ain't ordinary life This ain't ordinary life This ain't ordinary life

#### [Verse 2]

Valhalla is where all the righteous are led Mulholland's where all the damned will be kept Devil on my lap and a cross on my neck Cross on my neck, cross on my neck Over 45, I'ma drift on a bend Do a buck 20, I'ma fly off the edge Everybody said it would hurt in the end Hurt in the end, but I feel nothin'

#### [Pre-Chorus]

She said that she'll pray for me I said, "It's too late for me" 'Cause I think it's safe to say...

#### [Chorus]

This ain't ordinary life
This ain't ordinary life
This ain't ordinary life
This ain't ordinary life
No ordinary life
This ain't ordinary life
This ain't ordinary life
This ain't ordinary life
This ain't ordinary life

#### [Bridge]

Angels all singin' in monasteries, yeah My soul is burning in LaFerraris Father, sorry, Father, sorry Halos are given to ordinary lives No, but this ain't ordinary life

## [Chorus]

This ain't ordinary life This ain't ordinary life This ain't ordinary life
No ordinary life
This ain't ordinary life
This ain't ordinary life
This ain't ordinary life
No ordinary life
Woah-oh-oh, woah-oh-oh
