The Weeknd, The Hills (remix feat. Eminem)

Your man on the road, he doing promo
You said keep our business on the low-low
I'm just tryna get you out the friend-zone
Cause you look even better than the photos
I can't find your house, send me the info
Driving through the gated residential
Found out I was coming, sent your friends home
Keep on tryna hide it but your friends know

I only call you when it's half past five
The only time that I'll be by your side
I only love it when you touch me, not feel me
When I'm fucked up, that's the real me,
I only call you when it's half past, five
The only time I'd ever call you mine
I only love it when you touch me, not feel me
When I'm fucked up, that's the real me
When I'm fucked up, that's the real me, babe
