## The Weeknd, Wanderlust (Pharrell Remix)

[Verse 1: The Weeknd]
Is it so hard to say the same thing?
And you're so weak to say the same thing
Burn a hole into your apprehensiveness
And let the wildfire shine
And repeat after me (like)
Good girls go to heaven
And bad girls go everywhere
And tonight I will love you
And tomorrow you won't care

[Refrain: The Weeknd & Description of the work of the

[Hook 1: The Weeknd & Description of the Weeknd & Descript

[Verse 2: The Weeknd]
Don't you shy away from me
Just sacrifice your every last inhibition
I'm on your side
Don't patronize
You know tonight
Is the only time we'll have each other
Why would you try to waste this precious time?
'Cuz tonight, we'll be right here
And tomorrow you won't care

[Refrain: The Weeknd & Description of the work of the

[Hook 2: The Weeknd & Dear Pharrell]
You're in love with something bigger than love
You believe in something stronger than trust
Wanderlust
Wanderlust
They're in love with this idea of love
It's a shame that they'll believe it will come
For us all, for us all
You're in love with something bigger than love
You believe in something stronger than trust

[Outro: The Weeknd & amp; Pharrell]

Precious little diamond Precious little diamond

I leave it all to you I leave it all to you

Precious little diamond

Precious little diamond

Let it come to you

Precious little diamond

Precious little diamond

I leave it all to you

I leave it all to you

Precious little diamond

Precious little diamond

Let it come to you

Precious little diamond

I leave it all to you

Precious little diamond

Precious little diamond

Let it come to you

Precious little, precious little diamond Precious little diamond

I leave it all to you

I leave it all to you

Precious little diamond

Precious little diamond

Let it come to you
