

# The White Stripes, Little Acorns

Take all your problems  
And rip 'em apart

Carry them off  
In a shopping cart

And another thing  
You should've known from the start  
The problems in hand  
Are lighter than at heart

Be like the squirrel, girl  
Be like the squirrel  
Give it a whirl, girl  
Be like the squirrel

And another thing  
You have to know in this world  
Cut up your hair  
Straighten your curls

Well, your problems  
Hide in your curls
