

# The White Stripes, Shelter Of Your Arms

Theres a storm  
It's comin' around  
And the snow is fallin'  
It's covering the ground

Don't you walk away  
With my love  
Don't you walk away now  
I'm on my own  
I'm asking you to hear  
My pleads I need the shelter of your arms  
Wanting to spend me days  
Need the Shelter of your arms

Theres a sadness  
It's filling my heart  
And the silence is tearin' me apart

Don't you walk away with my love  
Don't you walk away now I'm on my own  
I'm asking you to hear my pleads I need the  
Shelter of your arms  
Wanting to spend my days  
In the Shelter of your arms  
Shelter of your arms  
Shelter of your arms  
Shelter of your arms

I need the Shelter of Your Arms  
Shelter of your arms  
Shelter of your arms  
Shelter of your arms  
I need the Shelter of Your Arms
