The White Stripes, You've Got Her In Your Pocke

You've got her in your pocket And there's no way out now Put it in the safe and lock it 'cause it's at home sweet home

Nobody ever told you that it was the wrong way To trick a woman, make her feel she did it her way And you'll be there if she ever feels blue And you'll be there when she feels someone new What to do Well you know

You keep her in your pocket Where there's no way out now Put it in a safe a lock it 'cause it's home sweet home

The smile on your face made her think she had the right one Then she thought she was sure By the way you two could have fun But now you're scared You think she's running away You search in your hand for something clever to say Don't go away 'cause I want

To keep you in my pocket
Where there's no way out now
Put it in a safe a lock it
'cause it's home sweet home

And in your own mind
You know your're lucky just to know her
And in the beginning all you wanted was to show her
But now she might leave
Like she's threatened before
Grab hold of her fast
Before her feet leave the floor
And she's out the door
'cause you want

To keep her in your pocket
