Her man's been gone For nearly a year He was due home yesterday But he ain't here

Her man's been gone
For nigh on a year
He was due home yesterday
But he ain't here

==IV. Ivor The Engine Driver== <lyrics> My name is Ivor I'm an engine driver

I know him well I know why you feel blue Just 'cause he's late Don't mean he'll never get through

He told me he loves you He ain't no liar, I ain't either So let's have a smile for an old engine driver So let's have a smile for an old engine driver

Please take a sweet (take a sweet)
Come take a walk with me (walk with me)
We'll sort it out (sort it out)
Back at my place maybe (back at my place maybe)

It'll come right
You ain't no fool, I ain't either
So why not be nice to an old engine driver
Better be nice to an old engine driver
Better be nice to an old engine driver
Better be nice to an old engine driver
</lyrics>

Cello, cello, cello, cello, cello, cello Cello, cello, cello, cello, cello, cello Cello, cello, cello, cello, cello, cello Cello, cello, cello, cello, cello, cello

I can't believe it Do my eyes deceive me? Am I back in your arms? Away from all harm? It's like a dream to be with you again Can't believe that I'm with you again

I missed you and I must admit I kissed a few and once did sit On Ivor the Engine Driver's lap And later with him, had a nap

You are forgiven, you are forgiven
Forgiven forgiven forgiven, you are forgiven
You are forgiven, you are forgiven
You are forgiven, you are forgiven
You are forgiven, you are forgiven

You are forgiiven You are forgiven, you are forgiven

You're forgiven!
