

# The Who, Circles

Circles, my head is going round in circles  
My mind is caught up in a whirlpool  
Dragging me down

Time will tell if I'll take the homeward track  
Dizziness will make my feet walk back  
Walk right back to you

Everything I do, I think of you  
No matter how I try, I can't get by  
These circles, leading me back to you

Round and around and around and around and around  
and around and around and around and around

And round and round like a fool I go  
Down and down in the pool I go  
Dragging me down

Everything I do, I think of you  
No matter how I try, I can't get by  
These circles, leading me back to you

There one thing could kill the pain of losing you  
But it gets me so dizzy then I'm walking right back again  
Back to you

Time will tell if these dreams are nearly fact  
Don't know why I left, I'm coming back  
Coming on back to you
