

# The Who, Eyesight To The Blind (The Hawker)

You talk about your woman  
I wish you could see mine  
You talk about your woman  
I wish you could see mine  
Every time she starts to lovin'  
She brings eyesight to the blind

You know her daddy gave her magic  
I can tell by the way she walks  
You know her daddy gave her magic  
I can tell by the way she walks  
Every time she starts to shakin'  
The dumb begin to talk

She's got the power to heal you  
Never fear  
She's got the power to heal you  
Never fear  
Just a word from her lips  
And the deaf begin to hear
