## The Who, I don't mind

| r love I don't mind th | kin' of I know, I kn | ow You gonna r | niss me I do |
|------------------------|----------------------|----------------|--------------|
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
|                        |                      |                |              |
