

The Who, (I'm A) Road Runner

I'm a roadrunner, honey
I'm a roadrunner, honey
And you can't keep up with me
Ooh, I'm a roadrunner, honey
And you can't keep up with me
I'm a, you and me

I'm a roadrunner, honey
And you can't keep up with me
Oh yeah, I'm a roadrunner, honey
And you can't keep up with me
I'm gonna show you
Baby, baby, you and me
