

The Who, Is It In My Head

I see a man without a problem
I see a country always starved,
I hear the music of a heartbeat,
I walk, and people turn and laugh.

Is it in my head
Is it in my head
Is in my head here at the start?
Is it in my head
Is it in my head
Is it in my head, or in my heart?

I pick up phones and hear my history.
I dream of all the calls I miss.
I try to number those who love me,
And find exactly what the trouble is.

Is it in my head [etc.]

I feel I'm being followed,
My head is empty
Yet every word I say turns out a sentence.
Make love to a stranger
Just asking for directions
Turn from being help to being questions.

I see a man without a problem.
