The Who, Is It In My Head

I see a man without a problem I see a country always starved, I hear the music of a heartbeat, I walk, and people turn and laugh.

Is it in my head Is it in my head Is in my head here at the start? Is it in my head Is it in my head, or in my heart?

I pick up phones and hear my history. I dream of all the calls I miss. I try to number those who love me, And find exactly what the trouble is.

Is it in my head [etc.]

I feel I'm being followed, My head is empty Yet every word I say turns out a sentence. Make love to a stranger Just asking for directions Turn from being help to being questions.

I see a man without a problem.
