## The Who, Sensation (Soundtrack Version)

While Tommy flies, the world is turning Life goes on for you and me Our chief concern is money earning Why can't someone set us free? Can't you feel him? Can't you feel him? Can't you feel him? Can't you feel him? </lyrics&gt;

TOMMY: <lyrics&gt; You'll feel me coming A new vibration From afar you'll see me I'm a sensation! I'm a sensation!

I overwhelm as I approach you Make your lungs hold breath inside Lovers break caresses for me Love enhanced when I come by

They worship me and all I touch Hazy-eyed they catch my glance Pleasant shudders shake their senses My warm momentum throws their stance

You'll feel me coming A new vibration From afar you'll see me I'm a sensation! I'm a sensation!

Soon you'll see me, can't you feel me? I'm coming!
Send your troubles dancing
I know the answer
I'm coming
I'm coming
I'm a sensation!

You'll feel me coming A new vibration From afar you'll see me I'm a sensation! I'm a sensation!

I leave a trail of rooted people Mesmerised by just the sight The few I touched now are disciples Love as One, I am the Light I Am the Light
