

# The Who, We're Not Gonna Take It (Soundtrack)

These pricey deals don't teach us!  
Your freedom doesn't reach us!  
Enlightenment escapes us!  
Awareness doesn't shape us!  
How can all this trivia  
Take us to the goal you reached?  
We came here to be like you.  
And find the world you preached.

TOMMY:  
&lt;/lyrics&gt;  
Welcome to the camp  
I guess you all know why we're here  
My name is Tommy and I became aware this year

If you want to follow me  
You've got to play pinball  
So put in your earplugs  
Put on your eye shades  
You know where to put the cork

Hey you, gettin' drunk  
So sorry, I got you sussed  
Hey you smokin' mother nature  
You missed the bus  
Hey, hung up old mister normal  
Don't try to gain my trust  
'Cause you ain't gonna follow me  
Any of those ways  
Although you think you must

Now you can't hear me  
Your ears are truly sealed  
You can't speak either  
'Cause your mouth is filled  
You can't see nothing and pinball completes the scene  
Here come willing helpers  
To guide you to  
Your very own machine  
&lt;/lyrics&gt;

CONVERTS:  
&lt;/lyrics&gt;  
We're not gonna take it  
We're not gonna take it  
We're not gonna take it  
We're not gonna take it

We're not gonna take it  
Never did and never will  
We don't have to take it  
Gonna break it  
Gonna shake it  
Let's forget it better still

We're not gonna take it  
We're not gonna take it  
We're not gonna take it  
We're not gonna take it

We're not gonna take it  
Never did and never will  
Don't want no religion  
As far as we can tell

We ain't gonna take you  
Never did and never will  
We ain't gonna take you  
We forsake you  
Gonna rape you  
Let's forget you better still
