

# The Who, You

You - you're wasting my time  
We're making music we're doing fine  
Then a slap in the face takes me back to the starting line  
You - your wasting my life  
You can't lose what you've already lost  
Your arms are open but your legs are crossed

Save me - save me  
I'm going down for the third time  
Save me - save me  
Somebody throw me my next line

Too hot for me to handle  
So cold I'm getting nowhere  
Pinch me to see if I'm sleeping  
Maybe it's only a nightmare

You - why did it have to be you?  
Of all those girls I had to choose  
You win and I lose  
You - you with the poisonous eyes  
One look and I'm hooked  
One touch and my goose is cooked

Save me - save me  
I'm going down for the third time  
Save me - save me  
Somebody throw me a life line

Too late to change partners  
Too late you've got no chance  
Too late to change partners  
Too late to say I don't dance

You - there's a name for girls like you  
You lead me on like a lamb to the slaughter  
Then you act like a fish out of water  
You - there's a name for girls like you  
You've coming on like a steam train  
Then you blow me away just like a hurricane

Save me - save me  
I'm going down for the last time  
Save me - save me  
Somebody throw me a lifeline  
Save me I'm falling  
From the top of the page to the next line  
Save me I'm burning  
From tips of my toes to my hairline

Too hot for me to handle  
So cold I'm getting nowhere  
Pinch me to see if I'm sleeping  
Maybe it's only a nightmare.
