

The XX, Chained

I watched you breathe in
And I wished you'd stop
Only for long enough
Long enough

Heey!, Haaaa

It's hard to say

Separate or combine
I ask you one last time
Did I hold you too tight?
Did I not let enough light in?

Uohoouh, uohoouh
Uohoouh, uohoouh

If a feeling appears
If your mind should sway
It's not a secret you should keep
I won't let you slip away

We used to be closer than this
We used to be closer than this
We used to get closer than this
Is it something you missed?

We used to be closer than this
We used to be closer than this
We used to get closer than this
Is it something you missed?

Winged or chained
I ask you would you have stayed
Did I hold you too tight?
Did I not let enough light in?
