

The XX, Crystalised

You've applied the pressure
To have me crystalised
And you've got the faith
That I could bring paradise

I'll forgive and forget
Before I'm paralysed
Do I have to keep up the pace
To keep you satisfied

Things have gotten closer to the sun
And I've done things in small doses
So don't think that I'm pushing you away
When you're the one that I've kept closest

[ahh ahh ahh] x4

You don't move slow
Taking steps in my directions
The sound resounds, echo
Does it lessen your affection
No

You say I'm foolish
For pushing this aside
But burn down our home
I won't leave alive

Glaciers have melted to the sea
I wish the tide would take me over
I've been down on my knees
And you just keep on getting closer

[ahh ahh ahh] x4
