

# The XX, Crystallised

You've applied the pressure  
To have me crystallised  
And you've got the faith  
That I could bring paradise

I'll forgive and forget  
Before I'm paralysed  
Do I have to keep up the pace  
To keep you satisfied

Things have gotten closer to the sun  
And I've done things in small doses  
So don't think that I'm pushing you away  
When you're the one that I've kept closest

[ahh ahh ahh] x4

You don't move slow  
Taking steps in my directions  
The sound resounds, echo  
Does it lessen your affection  
No

You say I'm foolish  
For pushing this aside  
But burn down our home  
I won't leave alive

Glaciers have melted to the sea  
I wish the tide would take me over  
I've been down on my knees  
And you just keep on getting closer

[ahh ahh ahh] x4

Glaciers have melted to the sea (Things have gotten closer to the sun)  
I wish the tide would take me over (And I've done things in small doses)  
I've been down onto my knees (So don't think that I'm pushing you away)  
And you just keep on getting closer (When you're the one that I've kept closest)

Go slow x5
