

The XX, I Dare You

I'm in love with it
Intoxicated
I'm in rapture
From the inside I can feel that you want to

Way up high on it
Feeling suspended
I'm enamoured
Way up in the sky
I can see that you want to

I've been a romantic for so long
All I've ever heard are love songs
Singing

Go on I dare you
I dare you

I get chills
Heart rate multiplies
I'm on a different kind of high

A rush of blood
Is not enough
I need my feelings set on fire

Now I'm deep in it
Infatuated
Strong attraction
Side by side and I know that you want to

I've been a romantic for so long
All I've ever heard are love songs
Singing

Go on I dare you
I dare you

I can hear it now like I heard it then /4x
