The Zombies, This Will Be Our Year

The warmth of your love's Like the warmth from the sun And this will be our year Took a long time to come

Don't let go of my hand Now darkness has gone This will be our year Took a long time to come

And I won't forget The way you helped me Up when I was down And I won't forget The way you said Darling I love you You gave me faith to go on Now we're there And we've only just begun This will be our year Took a long time to come

The warmth of your smile Smile for me little one And this will be our year Took a long time to come

You don't have to worry All your worried days are gone And this will be our year Took a long time to come

And I won't forget The way you helped me Up when I was down And I won't forget The way you said Darling I love you You gave me faith to go on Now we're there And we've only just begun This will be our year Took a long time to come

And this will be our year Took a long time to come
