

Theophilus London, Tribe (Feat. Jesse Boykins II)

He page in Roma, hage you sata
Had to pom, pom just call you dada
This the pom, pom seduce you dada
Place the fada, place the fada
Price!

See the Lisa Freata and I just sit here in the back at the beam up
Free from the la-la, smoke in the refa
Age be shock, roll as a cheisa

I got a camera in boot but we laime ooh,
We had a first kiss maybe a quit ooh
And mama sey, mama say, mama sis on
And this think may never get on
Back in Paris where Alice will deal that
Smoking the cube and porching and pour get the chiller
The girl in the blue dress look like a Rihanna
Caught my eyes in the back on the mirror

Zumba, ale-ale, zumba ale-ale
Zumba, ale-ale, zumba ale-ale
Zumba, ale-ale, zumba ale-ale

When I'm meet her

Cruse at the ?

Any flavor, any summer, man ? ,
Counting the numbers

Open the empty, you made for the bed
Say your favorite car was a ?
Share some champagne for the ?
Say musa, musa, musa
I want to go down to Saint Lusa, got Briana
Bust for two, see the ree boys, sound for two
And if I be on something bigger
Boys will thank and get to the rest of
Dyeing meant on ?
Girl is saving molto savings
