

# Therion, Close up the streams

"Close up the streams", i was told  
"look, (the) meadows have drunk enough"  
In words like this, there's a sign: a secret i will proclaim  
Run to meet me, said the voice  
Run to meet me, walk to me  
Gghn mis, gghn mis  
Run to meet me, walk to me  
Rivos iam clavde  
Pver sat prata bibervnt  
Close up the streams, now it's time for revelations to come  
Angels are grinding their swords  
Muses are singing their song  
Run to meet me, said the voice  
Run to meet me, walk to me  
Gghn mis, gghn mis  
Run to meet me, walk to me  
Rivos iam clavde pver sat prata bibervnt
