Third World, Try Jah Love

Music by Stevie Wonder Lyrics by Stevie Wonder and Melody A. McCully

A lonely soul was I without direction I didn't know which way that I had to go I sought the clues to life's unanswered questions
My mind's heart had to know

I heard you call while wandering through the darkness I'd walk a million miles to find that endless voice That speaks to me when I am in temptation Echoing my choice

Then you said, " Seek ye shall find I've been with you through all time"

(Chorus "A") "And if you're thirsty I will quench you With my love And if you're hungry I will feed you With my word And all I ask of you is that you love as I do'

(Chorus "B") "And if you lose your way I'll lead you To my love From a sinful life I'll cleanse you In my love For creation bears a witness of my love" (Repeat once)

I know that (Chorus "C")
You should know it's time for the world to (Try Jah Love)

The only love that can bring peace is (Jah, Jah Love)
So won't you try, try, try, try, try, try, Jah Love
Love,Love,Love

I know that Without it there'd be no tomorrow (Try Jah Love) Who lifts broken hearts up from sorrow (Try Jah Love)

So won't you try, try, try, try, try, try Jah Love Love,Love,Love

I know that (Chorus "C" -repeat once)

You know that (Chorus "C" -repeat once) (Guitar Solo)

A timeless thought a touch of close encounter Your love embraced me and took over my life And now I'm new your strength has made me Change my ways from wrong to right

Please Father please this world we live has faltered Deliver us from all this evil and pain God Bless the heart that loves unto his brother Praising out your Name

Then he said, "Be not Afraid Those who believe I will save"

(Chorus " A" -repeat)

I wonder When will the world wake up and start to (Try Jah Love) People have to make up their mind to (Jah, Jah Love) So won't you try, try, try, try, try Jah Love Love,Love,Love,Love
