

Thornbridge, Theatrical Masterpiece

You call me the raven of the dawn
Soulless demon, darkland is my home

I've never fulfilled my desire
Enchaining your gathering minds

And the bloody salvation erases your sin
Now let the actors begin

Welcome to my tragedy
Suffering to grieve
Judgement of your destiny
Theatrical masterpiece

Here in the night
Wait for the light
Pray for salvation my friend
Waiting here in the night
Wait for the light
Pray for salvation my friend

And the bloody salvation erases your sin
Now let the actors begin

Welcome to my tragedy
Suffering to grieve
Judgement of your destiny
Theatrical masterpiece

Death would be a final end
Blood is dripping from my border
Fame is lying in my hand
The will call me master torture

Welcome to my tragedy
Suffering to grieve
Judgement of your destiny
Theatrical masterpiece
