

Three Days Grace, Lifetime

Called, to say hello
Your voice always takes the pain away
The thought is unimaginable
That I saw you for the last time and didn't know

You were the one that I wasn't supposed to lose
I thought I'd have you for my lifetime
Have you for a lifetime

Now, I'm walking around in a haze
There's no color, only darker shades of grey
You showed me the way when I was lost and alone
But you never really showed me how to let you go

You were the one that I wasn't supposed to lose
I thought I'd have you for my lifetime
Have you for a lifetime

Who do I talk to when I want to talk to you
I thought I'd have you for a lifetime
Have you for a lifetime

Never again
Never again will I look into the only eyes that knew me
Feels like a bullet right through me
Never again
Never again, will I look into the only eyes that knew me

You were the one that I wasn't supposed to lose
I thought I'd have you for a lifetime
Have you for a lifetime
You were the one that I wasn't supposed to lose
I thought I'd have you for my lifetime
Have you for a lifetime

I thought I'd have you for my lifetime
Have you for a lifetime
