

# Thrice, Trust

mix the chemicals right dear, mix the chemicals right  
yeah the margin of error is slight  
mix the chemicals right dear  
mix the chemicals right  
yeah you know that you could  
save my life

there is a risk, there's a risk when your dealing with love  
you could snap my neck  
any speed you drive can be dangerous

mix the chemicals right dear, mix the chemicals right  
yeah you know there's a fine line between  
mix the chemicals right dear, mix the chemicals right  
cause i know what betrayal can mean

when this frame fails me  
will i trust you to carry me through?  
i know there's no such thing as safety  
but i know what a promise can do.  
will i trust you, will i trust you to carry me through?  
i will trust you, cause i know what a promise can do
