

Thunder, Baby I'll Be Gone

You know I'm not the kind to ever make a fuss
And you know that it's unfair, calling me jealous
But when I called you up and then I heard his voice
I guess you could say you left me no choice

So baby this time your race is run
Next time you need me, I will be gone
The song is over, that day is done
'cos baby I'll be gone

You say you don't remember all the times before
When my friends were just opportunities knocking at your door
So I took it all, believing it would end
Now you've taken all the time I can lend

So baby this time I'm not the one
'cos when you come back, I will be gone
The game is up now, you've had your fun
'cos baby I'll be gone
Baby I'll be gone

I'll be gone now baby

(Solo)

So baby this time your race is run
Next time you need me, I will be gone
The song is over, that day is done
So I'll be gone, baby I'll be gone
The song is over, that day is done
So I'll be gone, baby I'll be gone
