

Tiamat, Lucy

lucy was my first choise - lucy was the one
she was my silent voice - when all was said and done
yeah, lucy was a demon - she did it all my way
she'd give me all her fun - as long as i would pay!!

lucy gave me veil - like shaken crystal clear
when lights were turning pale - then i would still be there
lucy shone is neon - lucy swore she's mine
and in anothes aeon - i would be the first in line
