

Tich, Obsession

On New Year's Eve, I saw you the first time
Hard to believe, I loved him, I admit
And hard to see, until the fireworks lit up the sky
I remember January, February, March, April, May
Been thinking about you, boy, every single day
Burnt by your flame, yeah you blew me away, I pray

How can a heartbeat beat so in love?
I gave someone like you all my love
I can sit here all day, just writing your name
I'll sleep under the rain, you can call me insane
You're my obsession
You're my obsession

Find your picture online
Now it's on my iPhone
Hard not to cry
When I think of us, on my own
I don't even know your name, do you think the same?
But will I ever, kno-oh-woah-oh-woah-oh-oh-woah

How can a heartbeat beat so in love?
I gave someone like you all my love
I can sit here all day, just writing your name
I'll sleep under the rain, you can call me and say
How can a heartbeat be so lost?
I gave someone like you all my love
I can sit here all day, just writing your name
I'll sleep under the rain, you can call me insane
You're my obsession
You're my obsession

Are you only in my mind?
Will someone tell me will you ever be mine?

How can a heartbeat beat so in love?
I gave someone like you all my love
I can sit here all day, just writing your name
I'll sleep under the rain, you can call me insane
How can a heartbeat be so lost?
I gave someone like you all my love
I can sit here all day, just writing your name
I'll sleep under the rain, you can call me insane
You're my obsession
You're my obsession
You're my obsession
