

TIEKS, Sunshine (feat. Dan Harkna)

Your sunshine /3x
Shinning down
/3x

Guess your love is so high
You fill my heart when it dried
You won't ever deny that I've got you
I just want you to know
There's nothing I wouldn't do
You won't ever deny that I've got you

My precious remedy take all my pain away
I feel this chemistry loving you
You switched my World around
I feel this way,
My feet don't touch the ground loving you

Guess your love is so high
You fill my heart when it dried
You won't ever deny that I've got you
I just want you to know
There's nothing I wouldn't do
You won't ever deny that I've got you,

Your sunshine /3x
Shinning down
/3x

I just feel this way when you're around
Hoping that you feel the same,
Feel so good to be the one who's holding you
You're my sunshine

Your sunshine /3x
Shinning down
/3x

Guess your love is so high
You fill my heart when it dried
You won't ever deny that I've got you
I just want you to know
There's nothing I wouldn't do
You won't ever deny that I've got you
