

Tiesto, 10:35 (feat. Tate McRae)

All I know is 10:35 and I can feel your arms around me
Let 'em drown me
All I know is 10:35 and I'm thanking, thanking God you found me
That you found me

Everyday, I go places in my head
Dark and tussle, hard to know?
They look like monsters under my bed
And every time, it's like a rocket through my chest
But did even make you think the whole world's about to end

I don't know where this [?] going
But I know that you need someday
So many things that I'm afraid of
But right now I ain't scared of nothing
(Cause all I know is)
(All I know is, all I know is, all I, all I)

All I know is 10:35 and I can feel your arms around me
Let 'em drown me
All I know is 10:35 and I'm thanking, thanking God you found me
That you found me
So don't you worry, about tomorrow
Don't you worry, just pass the bottle
All I know is 10:35 and I can feel your arms around me
Let 'em drown me

Every night, I go places in my dreams
[?] they never end in all the ways
I don't know what it means
But this is it, I know there's some way to wake me up
[?] I'll be done to knock you in the ..

I don't know where this .. going
But I know that you need someday
So many things that I'm afraid of
But right now I ain't scared of nothing
(Cause all I know is)
(All I know is, all I know is, all I, all I)

All I know is 10:35 and I can feel your arms around me
Let 'em drown me
All I know is 10:35 and I'm thanking, thanking God you found me
That you found me
So don't you worry, about tomorrow
Don't you worry, just pass the bottle
All I know is 10:35 and I can feel your arms around me
Let 'em drown me

Oh-oh, oh
Know is 10:35, oh-ooh-oh
10:35, oh-oh-oh
Know is 10:35 (Oh-oh-oh)
Know is 10:35 (Oh-oh-oh)
