

# Tiesto, Wasted (ft. Matthew Koma)

I like us better when we're wasted,  
It makes it easier to fake it  
The only time we really talk,  
Is when our clothes are coming off  
I like us better when we're wasted  
It makes it easier to say it  
Lay all your [?] on the bed  
And then I'll lay it in instead  
I like us better when we're wasted

You are my glass half empty  
Sipping my ocean dry  
Emotionally spend me  
If only our planets would align  
But I could stand you one more night

I like us better when we're wasted  
It makes it easier to say it  
Lay all your [?] on the bed  
And then I'll lay it in instead  
I like us better when we're wasted

You are a catch 22, either way I miss out  
All of the grief I give you  
It's energy I can't live without  
But I could stand you one more night

I like us better when we're wasted  
It makes it easier to say it  
Lay all your [?] on the bed  
And then I'll lay it in instead  
I like us better when we're wasted
