

# Tiffany Alvord, I wanted to say

It's a beautiful day  
My cellphone just rang  
I pick it up to find that it's you  
And your calling to say  
I love you and I want you to know  
When I'm with you I never want to go  
When I'm with you I love you more each day  
And that is all, I wanted to say  
You make me smile  
We talk for a while  
I think to myself and I know how you feel  
Cause I feel the same way  
So I say, I say  
I love you and I want you to know  
When I'm with you I never want to go  
When I'm with you I love you more each day  
And that is all, I wanted to say  
Ladada da  
La da da  
La da da  
Da da  
There's been something on my mind, oh ooh  
I've been searching so long for something  
I couldn't find  
And there is something that I, need to confess  
This is that I love you more than you could guess  
So I say, say ah eh  
I love you and I want you to know  
When I'm with you I never want to go  
When I'm with you I love you more each day  
And that is all, I wanted to say  
I love you and I want you to know  
When I'm with you I never want to go  
When I'm with you I love you more each day  
And that is all, I wanted to say  
Say, say,
